Dear David,

It's really a pleasure for me to have received your letter in which you mentioned that you wanted me to give you advice about making a choice between a robot show and an art exhibition. For my part, the art exhibition may be the better one.

The reasons behind my advice can be listed as follows. First of all, the art exhibition should be your priority, since it is beneficial for your cultivation of art temperament. Moreover, appreciating a variety of artistic works and understanding the creative inspiration of artists are of cardinal importance for broadening your horizons, so it will definitely give you a pleasant experience.

I hope you will find the above-mentioned proposals useful and practical. Looking forward to hearing from you in the near future.

Yours ,
Li Ming
